

*Al Hathboor Group
celebrates 40th National Day!*

Al Hathboor Group joined the rest of the nation in celebrating the 40th UAE National Day.

We welcomed the occasion by expressing our joy through a well lit façade of our HQ building with two huge UAE flags hung on its two sides.

Sparkling lights bedazzled the building illuminating it during the night. A brilliant figure of '40' commemorated the Spirit of the Union.

Overall, it was a magnificent sight during the night, especially as no other building in the vicinity was seen with similar lighting.

Thank you!
